Welcome Back

The first half of the summer term seems to have flown by in school. It has been wonderful to start getting back to a sense of normality. Some classes have been on school trips and we have been able to have some visitors into school to enhance the children's learning. It is so important to us at Occold to provide the children with these real life learning experiences.

Rabbit and Hedgehog class went to Bressingham earlier this week as part of their topic on transport. We had a fantastic time and all enjoyed the train rides and the gallopers.

Fox class also had a beach in their classroom this week.

Dates for your diary...

We have some provisional dates for later this term. These may need to be changed but we are hoping to have sports day on 7th July and our end of term performance on 14th July.

Enjoy the sunshine over the half term break.
