

Occold Primary School

PE Intent

At Occold Primary School, we aim to provide a high-quality Physical Education curriculum that inspires, motivates and includes every child. We encourage pupils to enjoy physical activity, develop confidence and resilience and participate with enthusiasm, respect and good sportsmanship.

Through a broad range of physical activities and competitive sport, children at Occold Primary School will develop the skills, knowledge and understanding needed to succeed in sport with increasing confidence. We promote healthy, active lifestyles and support children's physical, mental and emotional wellbeing.

Our PE curriculum provides exciting learning opportunities that encourage teamwork, cooperation, fairness and perseverance. We want every child to develop a lifelong enjoyment of physical activity, achieve their potential and leave Occold Primary School with the confidence and values to lead healthy, active lives.
